

**Commissioners Minutes No. 1 – Delaware County
Minutes of Regular Meeting Held June 9, 1999**

Elected Officials

June 9, 1999

Staff Present: Dave Yost, Debbie Martin, Don Wuertz, Dale Wilgus, Jim Ward, Kay Conklin, Judge Krueger, Judge Shaw Myra Williamson, Jon Melvin, Scott Pike and Letha George

Employee Recognition – Myra Williamson

The year 2000 committee will be Debbie Martin, Sheriff Myers, Betty Porter and Chairman David Yost. Discussed options as far as limiting the number attending, the date of the recognition night, having a breakfast, lunch or dinner, limiting years of service to only years worked for Delaware County and possible speakers for next year.

Training sessions coming in late June are mandatory and a sign up sheet will be circulating.

Annual Auction – Jon Melvin

August 28, 1999 is the date. Boots Sheets will be the auctioneer. The Fairgrounds is available either indoors or outdoors. The merchants building is available for \$350.00 and outside is \$125.00. There are computers and electronic equipment which need to be protected from possible rain. The sheriff will be getting some new cars, but they will not be available before the auction. There will be another auction of the cars in October.

Mrs. Martin suggested pooling vehicles with other counties and having a large auction. She suggested that Jon call Bob Durbin, Knox County Commissioner, and discuss the possibility of arranging a pooled auction.

Discussed the importance of notifying all departments what is available and giving them the opportunity to utilize current equipment.

Construction Update – Scott Pike

There has been a little bit of progress. A construction meeting is scheduled for June 10, 1999. The hold up is the wait for the tower.

Judge Krueger commented that he feels the County has the responsibility to provide parking places for the public. Mrs. Martin commented the Commissioners are open to any suggestions.

There being no further business, the meeting adjourned.

Letha George, Clerk to the Commissioners
