SEE REVERSE -- CHECKLIST MUST BE COMPLETED

All submittals require **two** complete packets; each stapled together and all plan options clearly marked

Application requirements for additions, alterations, basement finish and new homes

- \$25.00 Application fee due at time of submittal (non-refundable) (plus 1% State Assessment Fee)
- Certified house number (for new homes)
- Copy of zoning permit (required at time of application (DC400 (3))
- Drainage permit (5 acres or more) or DESC permit (less than 5 acres)
- Two (2) plot plans showing location of structure and driveway. (If required by subdivision, the plot plan must Indicate approved finish grade or finished floor elevation and proposed grading plan.)
- Copy of septic permit for a new house or an alteration of the septic system; or approval letter if not on public sewer for an addition or alterations; (required at time of application (DC400 (3))
- Two complete sets of plans (Based on 2006 Residential Code of Ohio) (see itemized list below)
- For Manufactured Housing Units; must provide supplemental form identifying the installer or installers by name and license number.

Deck , Pools and Accessory buildings***

- Certified house number (for vacant lots)
- Two plot plans
- Copy of zoning permit (required at time of application (DC 400(3))
- Two complete sets of plans (Based on 2006 Residential Code of Ohio) (see itemized list below)
- Drainage permit (5 acres or more)
- Health Department letter approving placement of proposed project in relationship to existing and secondary sewage system.
- *Pole Building** drawings also require a sealed engineered plan for buildings greater than 1500 sq. ft. (ask for residential accessory buildings handout)
- **Pool** submittals must also include a completed Swimming Pool information sheet.

IF INCOMPLETE INFORMATION IS SUBMITTED WITH APPLICATION ON ANY OF THE ABOVE ITEMS, IT WILL STOP THE APPLICATION PROCESS. SUBMITTAL WILL BE RETURNED FOR COMPLIANCE TO THIS CHECKLIST.

The two complete sets of required construction drawings for additions, alterations, basement finish, accessory buildings, and new homes shall also include the information listed below before full approval can be granted.

- Two (2) signed Model Energy Codes, 2006 IECC version or newer, (not required for basement finish)
- Two (2) foundation designs per RCO 2006 (not required for finish basement)
- Two (2) Manual J if using existing heat system (not required for finish basements if insulating basement walls with R-11 or better)
- Two (2) light and vent schedules (not required for accessory buildings)
- Two (2) sets of stamped truss drawings and truss layout sheets at time of submittal (if applicable)
- Two (2) sets of pre-engineered floor joist layout drawings from manufacturer (if applicable)
- Two (2) sets of HVAC drawings (show location of furnace and hot water tank , BTU rating, register location and size, proposed duct location and size)
- Two (2) sets of electrical drawings (show panel size and location, service riser diagram, fixture layout, receptacle and switch locations, smoke detector locations, conductor size)

ALL ITEMS LISTED ABOVE ARE REQUIRED TO BE SUBMITTED FOR PLAN APPROVAL. ADDED FEES FOR ADDITIONAL REVIEWS WILL BE ASSESSED IF ITEMS ARE NOT PROVIDED AT TIME OF THE INITIAL APPLICATION.

I hereby agree to the above conditions.

Owner/Agent _____ Date _____

All handwritten revisions to plans will be accepted but shall be copies (no original ink, white out or similar changes will be accepted.)
