Service Up-grade(s) (1-19-2011)

Delaware County Code Compliance now enforces the 2006 Residential Code of Ohio. With the adoption of the 2006 Residential Building Code there have been changes in what types of construction require approvals and what is exempt from approvals. Please see section 105 of the 2006 Residential Code of Ohio provided below as you prepare to do work on residential properties.

Please be advised that replacement of any electrical, gas, mechanical, plumbing system, other residential building service equipment, or piping system, the installation of which is regulated by this code, or to cause any such work to be done, shall first make application to the building official and obtain the required approval.

Code **2006 Residential Code of Ohio**

SECTION 105 – APPROVALS - 105.1 Required. Any owner or authorized agent who intends to construct, enlarge, alter, repair, move or change the occupancy of a *residential* building or structure, *or portion thereof, or* to erect, install, enlarge, alter, repair, remove, convert or replace any electrical, gas, mechanical, plumbing system, *other residential building service equipment, or piping system, the installation* of which is regulated by this code, or to cause any such work to be done, shall first make application to the building official and obtain the required *approval.*

Application Application for Service Up-Grade(s) Permit

Possible Permit (s) Electric Permit

Electrical – fee type: Electrical service - $35 + 1% State of Ohio fee (Based on service size < 400 amp); $40 + 1% State of Ohio fee (Based on service size > 400 amp, < 600); $50 +1% State of Ohio fee (Based on > or = 600 amp); this fee covers one trip; a partial inspection fee will be applied if multiple trips are involved (i.e. trenches, underground/overhead wiring, etc). This does not include reinspections. The fee does not include other electrical installations being performed in conjunction with the service up-grade(s) (i.e. sub panel, lighting, receptacles, etc). If additional electrical installations are proposed, such installations shall be indicated on the application and fees will be assessed accordingly.

Special Instructions

1) Acquire an electric permit in advance of the service up-grade
2) Schedule inspection with Code Compliance office by calling (740) 833-2222.
3) It is very important to coordinate date and time with the utility company, The Delaware County Code Compliance electrical inspector and the contractor performing the work.
4) Call the electrical inspector performing the inspection between 7:30 and 8:00 the morning of the inspection to confirm time.
