FOR IMMEDIATE RELEASE

Delaware County—Come See How Your Vote Counts!

Ever wonder how the Board of Elections guarantees fair and accurate elections for all of the county's 124,500 registered voters? How do those thousands of absentee ballots get counted? Join us for a special Open House at the Delaware County Board of Elections, Tuesday, October 9 from 6 to 8 pm and find out! So far this general election season, more than 20,000 absentee ballots have been returned and it is still a month out from Election Day!

There will be more than ten stations demonstrating different processes within the office and interactive opportunities for kids and adults. Lots of good video and photo opportunities with one-on-one interviews with Board members, staff and other elected officials.

Processes to be highlighted include ballot printing and packaging; instructions on the NEW interactive website for voters; pollworker recruitment and training overview; and many other registration system activities. All attendees will have a chance to practice voting on the electronic machines and ask questions of the experts. The Board of Elections is located at 2079 US Hwy 23 North. Light refreshments will be served.

Established in 1808, Delaware County is located in the center of Ohio, is 459 square miles in size, and serves more than 174,000 residents. With 1100+ employees and a budget of \$46.5 million, Delaware County is one of the top 50 employers in central Ohio and continues to be the fastest growing county in the state.
