

## Appendix – Table of Contents

Addendums.....	A
Supplemental Specifications .....	B
Supplemental Specifications for Projects using City of Columbus CMS (See Article II, Section 203 for use of these specifications)	
Supplemental Specifications for Projects using ODOT CMS (See Article II, Section 203 for use of these specifications)	
Supplemental Specification 1501 - Compaction Testing of Soils, Granular Materials, and Other Materials	
Supplemental Specification 1502 - Soil Modification	
Supplemental Specification 1502 - Soil Stabilization	
Supplemental Specification 1523 - Roller Compacted concrete (RCC) Pavements	
Supplemental Specification 1542 - In-Place Density of Hot Mixed Asphalt	
Supplemental Specifications - Article III - Pre-Development Stormwater Tributary Map Requirements	
Supplemental Specifications - Article IV - Additional Detention Basin Criteria, Pre and Post- Development Stormwater Tributary Map Requirements, and Other Stormwater Report Requirements	
Supplemental Specifications - Article V - Construction Performance Guarantees	
Supplemental Specifications - Article VI - ADA Ramps, ODOT Curb and Gutters, and Street Naming Procedures	
Supplemental Specifications - Article VII - Pavement Design	
Supplemental Specifications - Article VIII - Outlets from Household or Small Flow Onsite Sewage Treatment Systems	
Supplemental Specifications - Article IX - Sections 903 & 904 General Design Criteria, Additional Tributary Map Requirements, Sample Storm Basin Data Table	
Supplemental Specifications - Article X - Survey Standards	

Supplemental Specifications - Article XII - Additional Requirements for Temporary Sediment Basins

Video Taping Requirements of Existing Conditions within the Project Limits

Roadway Standard Drawings & Storm Sewer Standard Drawings .....C

General Notes ..... D

General Notes for Minor Urban Collectors, Local Streets, Multi-Family Developments, Commercial and Industrial Projects

General Notes for Road Widening

Submission Cover Document, Review Checklists, and Design Aids .... E

Submission Coversheet/Fee Schedule

Sample Preliminary Engineering Plan Submission and Review Checklist

Sample Final Engineering Plan Submission and Review Checklist

Sample Road Widening Plan Submission and Review Checklist

Sample Final Plat Submission and Review Checklist

Sample Commercial and Industrial Engineering Plan Submission and Review Checklist

Sample Common Access Drive Engineering Plan Submission and Review Checklist

Sample Lot Split (NPA) Submission and Review Checklist

Sample Ditch Setback Plan Submission and Review Checklist

DESIGN AIDS

Shear Stress Charts (for erosion control)

Sample As-built Certification

Sample Owner’s Agreement, Standard Unit Prices, and Sample Engineer’s Estimate ..... F

Work in Right-of-Way Permit Forms and Utilities Policy ..... G

Drive Permit Process  
Application for New Driveway

Ditch Permit Process  
Application for Ditch Improvement Permit

Application for Work in Right-of-Way

Tree and Landscaping Policy within the Right-of-Way

Application for Storm Sewer Permit

Public Utility Permit Process  
Application for Utility Blanket Permit  
Application for Utility Construction Permit

Utilities Policy

Road Closing Permit Application

Drainage Maintenance Process & Sample Petitions ..... H

Drainage Improvement Petition Process

Subdivision Drainage Maintenance Petition  
Commercial Site Drainage Maintenance Petition  
Condominium Drainage Maintenance Petition

Traffic Impact Study (TIS) Standards.....I

Traffic Impact Standards

Supplemental Specifications - Traffic Impact Standards

Proposed Right-of-Way and Property Conveyance Requirements.....J

Property Transfer Standards

DESC ..... K

DESC Permit Manual

Application for General DESC Permit

Application for Individual DESC Permit

General DESC Checklist for Construction Activities
