URGENT!

ICS Telephone Customers May Experience Problems Dialing 9-1-1

Delaware County Emergency Communications and the Delaware County Sheriff's Office are warning residential and business customers of a potential connection problem for those using ICS of Powell, Ohio telephone services and equipment.

Until further notice, for any EMS, fire, or law enforcement emergencies, **please use a cell phone to call 9-1-1**. If you are unable to call from a cell phone, then dial (740) 368-1911.

Please share this information to anyone using ICS systems.

This is a continuing situation, so please watch your local media for further updates.
