Delaware County—County Officials on hand to open new Menards Store

The chips were flying as Orange Township Trustee Lisa Knapp and County Commission President Ken O'Brien "cut the board" to open the new Menards Mega Store Monday evening. With help from the Wisconsin-Based Operations Team, Delaware County officials welcomed the crowd to the new store at 7241 Graphics Way, in Orange Township.

Commissioner O'Brien included in his remarks, "I am excited to welcome an additional home improvement store to our growing county. We have lots of new homes going up and we also have renovations and repairs by homeowners who have lived in our county for years." More than 600 contractors were invited to the private opening. The store opened officially to the public on Tuesday morning.

Other Delaware County officials in attendance included Commissioner Gary Merrell, Auditor George Kaitsa, Prosecutor Carol O'Brien and State Representative Andrew Brenner.

According to Tony Williams, Lewis Center General Manager, "Everyone has been very receptive and anxious for the store opening. We appreciate all the positive support we've received."
